Grace Impact provides a second grant to the International Friendship Association gGmbH (“IFA”)

In March 2020, Grace Impact has made a second donation to IFA to support its education and empowerment project in Oromia National Regional State of West Arsi Zone in the Dodola District. Based in Frankfurt, IFA’s mission is to create and to promote community centered development activities at the grassroot level towards socio-economic improvement. IFA’s primarily supports children and poor women living in the rural areas of Ethiopia. The grant will be used to assess and select 30 poor orphan girls and to provide them with primary school books, pens, supplementary books and school uniforms. Local community staff will also hold workshops and counsel the girls on school related issues as well as hygiene, reproductive health, HIV/AIDS, tolerance and conflict resolution and sexual harassment.
